

RELAY FOR LIFE EVENT - CHRIST CHURCH

Although the weather was cool, windy and cloudy, the 2013 Relay for Life event was a wonderful day for the Christ Church Team and guests who enjoyed the fellowship, in comfort, under our tent.

After the relay opening event and the survivor walk, in which five members of our tent participated, the Episcopal "Pit masters" dished up their "Blue Ribbon Barbecued Chicken" and the ladies spread the tables with delicious side-dishes, rolls and desserts.

After the ultra-successful fundraiser at Pine Hills CC by the ladies of the church plus a final effort at the Relay event, a total of approximately \$8,500.00 had been raised for The American Cancer Society for the fight against cancer. In 2012, Christ Church was the #1 Church for Relay for Life money raised and we believe that, again, will be the case in 2013.
